

Community Safety & Well-Being Planning Lived Experience Survey

RISK factors play a strong role in the health and well-being of individuals & families. When you live, work, play or shop in a particular community you gain experience about the presence and severity of risk factors. Quite simply, you gain experience about what it is like to live there.

We Need You to Rank the Risk Factors in L&A, Deseronto & Tyendinaga Township

Below are a series of links to short surveys that will collect data based on your lived experience, perceptions, and insights with respect to community safety & well-being in Lennox & Addington County, The Town of Deseronto and The Township of Tyendinaga.

Each question relates to your knowledge and awareness of risk factors that may be present in any of the 6 municipalities listed. The Community Safety & Well-being Advisory Committee will use this information to develop strategies to reduce risks and improve community safety and well-being for everyone. Please take the time to share what you know by filling out one or more of the short surveys.

“Click” on the link beside the municipality that you wish to comment on and complete the short “Lived Experience Survey”. You are welcome to complete a survey for each municipality that you are familiar with.
