Notice to Motorists

Smiths Construction has been contracted by the Township of Stone Mills and the County of Lennox & Addington to rehabilitate the following roadways within the municipality.

County Road 11 – Academy Road to Goodyear Road

Centreville Road – County Road 27 to County Road 4

Embury Road – Martin Road to County Road 11

Goodyear Road – County Road 11 to the Stone Mills boundary

Concession Street South

Bell Street

Ballantra Drive

The work will consist of road surface and edge repairs and re-surfacing with a micro surface.

Micro surfacing is a surface treatment designed to extend the life of surfaces that are in good condition by providing skid resistance, restricting moisture intrusion, protecting the structure from further oxidation and raveling, and restoring a uniform black appearance. It is the most economical choice when leveling is required. Micro surfacing boasts quick construction times and minimal disruption to the traveling public.

To facilitate the work temporary lane closures will be required and some traffic delays can be expected.

The work is schedule to start the week of September 21, 2020 (weather dependent) and is expected to be completed by October 2, 2020.

We apologize for any inconvenience this may cause and appreciate your patience.
