## Pre-Consultation Request

The purpose of a pre-consultation is to obtain a land use planning opinion in respect to a specific proposal prior to the submission of the formal application and the commencement of proceedings pursuant to the Planning Act. This request form was developed to assist Township Staff in understanding the proposal that is being considered. In all cases, a sketch is required that includes sufficient information, including any applicable dimensions, to explain the proposal. When deemed necessary by Township Staff, this pre-consultation could include outside agencies such as the Quinte Conservation Authority and the Kingston Frontenac Lennox and Addington Public Health.
