Prior Consent Report

Section 7.5.1 of the Official Plan of the Township of Stone Mills provides that:

In the Rural Area and Industrial Area designations, a maximum of three (3) residential or non-residential lots (exclusive of the retained parcel) may be created from a lot of record. Lot creation for all severances shall be for a lot of record as it existed on November 23, 1992. New lot creation in the Agricultural designation shall comply with Section 4.4.2.3 of this Plan.

In the Hamlet Area designation, a maximum of four (4) residential or non-residential lots (exclusive of the retained parcel) may be created by consent provided that new lots are entirely situated within the Hamlet designation and the lots being created result in an infill of existing development.

It is the duty of the applicant to ensure that lands subject to a consent application qualify for the consent in accordance with the foregoing restrictions. To ensure the lands do qualify for a consent, the applicant shall have a qualified professional (Solicitor, Ontario Land Surveyor, Title Searcher) examine title of the lands and indicate herein the results of that title examination.

The examination of title of the lands was completed by:

Name of Person Or Firm	Professional Designation

The examination of title was in respect to the following lands:

--

In my examination of title of these lands I have concluded that on November 23, 1992:

	The lands herein described was a singular registered parcel of land, or
	The lands herein described was part of a larger registered parcel of land

Further that, in my examination of title, I have concluded that since November 23, 1992 there have been:

	No lots created by consent
	One lot created by consent
	Two lots created by consent
	Three lots created by consent
	More than three lots created by consent
