

The Corporation Of The Township of Stone Mills

Reserve Sewage System Capacity Report

Submitted in accordance with Section 1.6.4 of the Provincial Policy Statements and Section 7.5.2 of the Official Plan for the Township Of Stone Mills.

- The undersigned being an owner or operator of a centralized waste water treatment facility approved under the Environment Protection Act, confirms that capacity exists which is not yet committed to existing or approved development in the said waste water treatment facility to accommodate waste generated and derived from the parcel of land identified herein.
- The undersigned being a hauler of un-treated sewage, confirms that capacity remains for the treatment or disposal of sewage at a site(s) approved under the Environmental Protection Act or the Ontario Water Resources Act derived from the private communal sewage system or the individual private on-site sewage system either located upon or to be located upon the parcel of land identified herein, and further confirms this remaining capacity specifically excludes the application of un-treated hauled sewage to land.
